Gardener in Residence at the Owen Sound & North Grey Union Public Library

Owen Sound, Ontario – Thursday, May 15, 2025 – We are pleased to announce the Gardener in Residence program, every 3rd Tuesday, generously provided by the Grey County Master Gardeners.

Our Gardeners in Residence will be in The Library on Tuesdays, May 20, and June 17 from 2:00-3:30 pm on the Main Level. The Gardening Demo begins at 2:00 pm (registration suggested) followed by a Drop-in Advice Clinic from 2:30 – 3:30 pm.

Rethinking your garden? In May design the garden you want. What are the best practices for gardening? Learn about companion plants, plant alternatives, food security, and soil health.

Keeping it Green is the theme for June. Weeds, garden maintenance, deadheading, root bound plants, succession planting, mulching, and identifying plants under stress.

Master Gardeners (MGs) in the Province of Ontario are experienced gardeners who have studied horticulture extensively and continue to upgrade their skills through technical training. With this training and continuing education, Master Gardeners provide expert horticultural advice to the public.

To register for the *Gardener in Residence* demonstration or for more information, contact 519-376-6623 ext. 3, email info@library.osngupl.ca, or visit our website www.osngupl.ca.
