

MASCOT DESIGN CONTEST

This summer, the Library is running a Mascot Contest. Youth in grades K-12 are invited to participate to design the character that will inspire our NEW Youth Services Mascot.

Submission deadline: August 30

How it works:

- Design a mascot and tell us about them!
- Submit your mascot drawing to the Library. Drop it off in Youth Services or send it to: ysinfo@library.osngupl.ca

After **August 30** we will select the NEW Library Mascot and contact the winner to let them know that their art was selected! The creator of the winning mascot design will receive \$150.

The Library reserves the rights to the winning entry. The winning mascot will be interpreted by a professional local artist and adapted for use by the Library in promotional materials and in Library publications.
