

MEDIA RELEASE
Gardener in Residence
at the Owen Sound & North Grey Union Public Library

Owen Sound, Ontario – Tuesday, March 17, 2026 – We are pleased to announce the start of our monthly Gardener in Residence program generously provided by the Grey County Master Gardeners.

The Gardener in Residence will be in the Library on Tuesday, March 24 and Monday, April 20, from 2:00-3:30 pm, in the Auditorium. The Gardening Demo begins at 2:00 pm, (registration required) followed by a Drop-in Advice Clinic from 3:00-3:30 pm.

March's garden demo is Seed Starting. In this hands-on program we will discuss timing for indoor and outdoor sowing options and techniques. Bring some seeds and a seed-starting 6-pak. We will have some seeds available for potting.

In April attend an interactive Transplanting, Re-potting, & Dividing Demonstration with the Gardener in Residence. Learn how to transplant seedlings and your existing plants (indoor and outdoor). See a demonstration of various techniques for dividing your perennials. Bring your questions!

Master Gardeners (MGs) in the Province of Ontario are experienced gardeners who have studied horticulture extensively and continue to upgrade their skills through technical training. With this training and continuing education, Master Gardeners provide expert horticultural advice to the public.

To register for the *Gardener in Residence* demonstration or for more information, contact 519-376-6623 ext. 3 or info@library.osngupl.ca
