Community Art Exhibit: AJ Lawrence

Owen Sound, Ontario – November 5, 2026 – Visit the library during November and December to view the Community Art Exhibit

The library is pleased to welcome back AJ Lawrence and his photography to the Community Art Exhibit.

AJ Lawrence is a local photographer inspired by the quiet beauty of local landscapes and public places, and the subtle stories of the natural world.
Living with PTSD, ASD, and Auditory Processing Disorder has shaped AJ's perspective, strengthened his resilience, and enhanced his ability to work independently–qualities he brings to every photographic project.

AJ's photography will be displayed on the main level of the Library throughout November and December.

The Community Art Exhibit offers an opportunity for local visual artists to display their work. Artists or groups interested in displaying their work must complete an application form and agree to the Library policy. Information about the program can be found at https://www.osngupl.ca/community-art-exhibits/ or email info@library.osngupl.ca.
