

2025 Reading Buddies Program for English Language Learners Reader Application Form

Dear Caregiver,

Thank you for your interest in the Library's Reading Buddies program for English Language Learners (ELLs). This letter includes important information and dates about the program.

This program gives young readers learning English (ages 6-13), the extra practice and encouragement to prepare for the new school year. A mix of games, speaking time, and reading with a volunteer make the experience fun!

After you complete the application, a Library staff member will contact you to understand your child's interests and literacy skills.

If we can pair your child with a volunteer, they will meet at the Library for 1 hour per week for 8 weeks (beginning the week of Monday, June 30 until the week of Monday, August 18). Readers, their families, and their volunteers are also invited to join two social events to encourage and celebrate their language learning.

If you cannot attend your meeting, please contact the Library.

Parents and caregivers must stay in the Library while the child is meeting with their Reading Buddy mentor.

If you have any questions about this program, please contact the Youth Services Department.
Happy reading!
